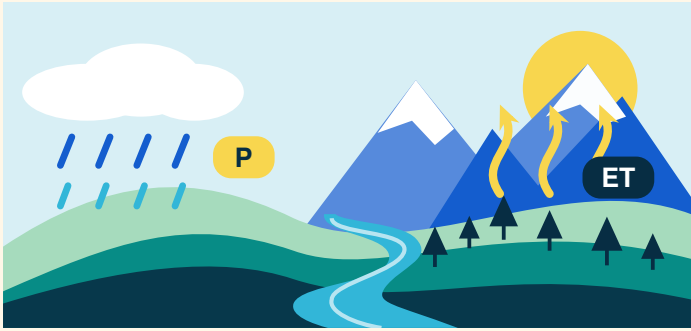
EGU27

SESSION HS3.8

CALL FOR ABSTRACTS

Precipitation and Evapotranspiration Datasets for Hydrological Studies:

Development, Evaluation, and Applications



We welcome contributions on…

- Evaluation, benchmarking & uncertainty
- Dataset development, fusion & integration
- Hydrological modelling & applications
- Emerging datasets & future directions

TRAVEL SUPPORT

1 December 2026

13:00 CET

ABSTRACTS

12 January 2027

13:00 CET

4–9 April 2027

Vienna & online
